£3,295
plus VAT & Copyright**

Package Deal 1: On Location Recording

Our complete production package for private CD release, including:

2 days digital recording on location at a venue of your choice

The technical and artistic expertise of a skilled producer and engineer

Auditioning and compilation of session takes

Up to 18 hours digital editing

All media costs, transport (up to 200 miles), food & accommodation expenses incurred during the session (1 night accommodation only)

Mastering for CD (up to 70 mins)

Design and printing of a full colour 8-page CD booklet, standard full colour traycard and onbody design

File production for downloads available

Pressing & delivery of 1,000 CDs – £3,295

Options available with the above package:

500 additional CD copies at the same time – £500

Additional digital editing (per hour) – £30

Surcharge for mastering CDs over 70 minutes (up to 79 minutes) – £75

CD Repress Prices – including printing:

500+ – £2.00 per disc

1000+ – £1.50 per disc

Please Note: In addition to the recording costs, customers are responsible for venue hire fees, musicians' fees/expenses etc. A copyright licence is required to cover any copyright musical works; this could typically cost up to 6.5% of the intended retail price of the CDs. **All prices exclude VAT.** Other options may be available; please ask for a quotation to suit your requirements. These offers may be withdrawn at any time and all work is carried out subject to our standard terms & conditions, copies of which are available on request. Errors and omissions excepted.
